Re: United Water Inc. Federal PAC 2014 October Quarterly Report

To Whom it May Concern:

The adjusting entry on Schedule A, Line 17 for \$2,205.80 represents the adjustment for a discrepancy between the bank and FEC reports discovered during an internal audit. The discrepancy was the result of reporting errors on multiple reports between 2007 and 2012. All details about these errors that are available are below.

Disbursements not reported (\$1,000)

2007 Year-End Report: \$1,000 contribution to National Leadership PAC on 8/6/07 was never reported.

Receipts not reported (\$2,175.30)

2008 April Quarterly Report: \$100 in receipts deposited on 2/26/08 was never reported.

2011 Mid-Year Report: \$950 contribution to United Water Inc. New York Employee PAC on 4/7/11 was mistakenly redeposited

into the federal account rather than the New York account. The redeposit was not reported; \$20 in payroll receipts deposited on 6/3/11 was not reported.

2011 Year-End Report: \$805 in receipts deposited on 9/16/11 was not reported.

2012 July Quarterly Report: \$300 in receipts deposited on 5/8/12 was not reported.

2012 October Quarterly Report: \$.30 in payroll deductions from 8/31/12 was not reported.

Additionally, the receipts below were over reported (\$1,352):

2008 30 Day Post-General Report: 10/31/08 receipts were over reported by \$100.

2009 Mid-Year Report: 4/30/09 receipts were over reported by \$140.

2009 Year-End Report: 9/30/09 receipts were over reported by \$82.

2011 Mid-Year Report: 4/30/11 receipts were over reported by \$180; 5/31/11 payroll deductions were over reported by \$200; and 6/30/11 payroll deductions were over reported by \$180.

2011 Year-End Report: 7/31/11 receipts were over reported by \$265; 9/30/11 payroll deductions were over reported by \$205.

The remainder of the discrepancy (\$2,382.50) pre-dates 1/1/07 and its source is unknown.
